

PICKUPS N PANELS

Pickups N Panels is a organization for classic GM truck enthusiasts across North Texas and the Southwestern United States. Our club members restore and drive their 1918 - 1972 trucks for others to see and enjoy and are passionate about helping other truck lovers to do the same.

We meet monthly as a club to 'talk trucks' and get together for recreational and charitable events throughout the year. Each year we host our Classic Car & Truck Shoot-Out to raise money for the American Cancer Society and other charitable organizations.
